Government of West Bengal

From the Desk of Minister-of-State

I am glad to learn that the Department of Labour, Government of West Bengal has launched a web-portal for services to the business establishments and general public and for the welfare of the workers in the unorganized sectors and their families. It is a matter of pride that the Labour Department is rendering a host of online services and is one of the best performing Labour Departments in the Country under Ease of Doing Business initiative.

This endeavor will render immense help for the day to day work in the Department as well as to the workers to get countless benefits of social security scheme.

I wish the success of this endeavor in days to come.

I also extend my heart-felt greetings and felicitation to all members of the IT Team of this Department for successful launch and maintenance of this Website.
